

Compatible & Non-compatible Scanners & MFD's with Stordoc:
List for attorneys purchasing devices on their own
8-Aug-18

This brochure lists devices which are compatible with Stordoc (Column A) and devices which are NOT compatible (Column B). It has been prepared for information purposes only to assist attorneys that are considering purchasing devices on their own. It is not an exhaustive list, but simply based on devices which our staff have experienced. If an attorney is in any doubt, we strongly recommend that a device is tested with Stordoc before purchase. Please also always review the manufacturer's device specifications before making any purchase.

The information herein is correct as at 08 August 2018. e4 Strategic (Pty) Ltd 'e4' does not warrant that the information herein is correct. As it is up to each attorney to first test for Stordoc compatibility before making any purchase, e4 accepts no liability whatsoever for information in this list, which is for guidance purposes only.

RE: Technical Scanner Support

We have received numerous queries and requests to assist with the setup of 3rd party scanners.

For ease of reference, please see below;

- Scanners purchased through e4:

e4 will remotely assist in the setup of the scanner/device.

- Scanners purchased that are on our list of compatible scanners:

e4 can remotely assist in the setup of the scanner, with the assistance of the relevant technical representative of the scanner/device.

Please also note that all maintenance on these scanners/devices will need to be as per your warranty and service agreement with the respective manufacturer.
